TAXES OF THE STATE OF NEW JERSEY

The following outline provides basic information regarding taxes imposed by the State of New Jersey and administered by the Division of Taxation and the Division of Revenue

NEW JERSEY GROSS INCOME TAX (N.J.S.A. 54:A-1-1 *et seq.*)

Personal income tax is imposed on the New Jersey taxable income of resident and nonresident individuals, estates and trusts for taxable years ending on or after July 1, 1976. Residents are subject to tax on all income, regardless of where it was earned, while nonresidents are only subject to tax on income derived from sources within New Jersey.

The withholding requirements apply to every New Jersey employer making payment of taxable wages. For New Jersey Gross Income Tax purposes, the term "employer" includes organizations that may be exempt from Federal income tax or New Jersey Corporation Business Tax, such as religious organizations and governmental agencies.

Generally, anything regarded as "wages" for Federal withholding purposes is subject to withholding for the New Jersey Income Tax. Every taxpayer is required to file a quarterly return of tax withheld (NJ-927) for each calendar quarter. Some taxpayers are also required to file a monthly remittance (NJ-500). Taxpayers classified as "weekly payers" must remit payment of withholdings by means of Electronic Funds Transfer (EFT) on the Wednesday of the week following the week in which the taxes were withheld. Taxpayers not classified as weekly payers must remit the tax withheld with their withholding return either monthly or quarterly, depending on the amount of withholding liability.

RECIPROCAL AGREEMENT (NJ & PA Residents Only)

Under the Reciprocal Tax Agreement, the compensation derived by residents of either state (New Jersey or Pennsylvania) will be subject to income tax only in the state of residence including compensation income derived from sources within the other state.

Compensation that is limited to the provisions of the Reciprocal Agreement means salaries, wages, tips, fees, commissions, bonuses and other remuneration received for services rendered. Businesses or professional income earned by a resident of either state is not covered by the Reciprocal Agreement and is subject to the income tax of the state in which it is earned.

UNEMPLOYMENT & DISABILITY TAXES -

If you are employing, or expect to employ, one or more persons, you should notify the Division of Revenue so that a determination can be made as to whether or not you are subject to the law. Under the law (N.J.S.A 43:21-19(h1) *et seq.*) it is your responsibility to make the fact known.

Determination of Liability - If you start a business and employ one or more individuals and pay wages of \$1,000 or more in a calendar year, you may be subject to the law.

If you acquire the organization, trade or business, or substantially all the assets of an employing unit which is already subject to the law, you immediately become a subject employer.

If you are subject to the provisions of the Federal Unemployment Tax Act (FUTA) you automatically become subject under the law, unless the services performed are specifically excluded under the New Jersey law. An employing unit is generally subject to FUTA if it had covered employment during some portion of a day in 20 different calendar weeks within the calendar year or had a quarterly payroll of \$1,500 or more.

Note: Agricultural Employers - You are liable for contributions on wages paid to agricultural employees if:

1. You were already a registered employer, or
2. Not registered, you were or became subject to the Law, having paid wages of \$1,000 or more in a calendar year to one or more workers

- for services performed in a non-agricultural business operation, or
3. You acquired the organization, trade or business, or substantially all the assets of an employing unit already subject to the law, or
 4. You are subject to the Federal Unemployment Tax Act, or
 5. Not subject under the above provisions, you:
 - a. Paid gross cash remuneration of \$20,000 or more to individuals employed in agricultural labor during any calendar quarter, or
 - b. Employed ten or more individuals in agricultural labor, regardless of whether they were employed at the same moment of time, for some portion of a day in each of 20 different calendar weeks, whether or not such weeks were consecutive.

Special Employers - Under certain circumstances, a crew leader who provides a crew to an agricultural employer, can be considered the employer of the crew for unemployment tax purposes. The agreement between the crew leader and entity must comply with all Federal and State regulations and the crew leader must be registered under the New Jersey Crew Leader Registration Act. For further information contact any Regional Office.

Domestic Employers - In order for you to become subject to the law, you must have paid gross cash wages of at least \$1,000 to domestic labor in a calendar quarter.

The State of New Jersey and its political subdivisions are subject to the law.

SET OFF OF INDIVIDUAL LIABILITY (N.J.S.A. 54A:9-7 *et seq.*)

Public Laws of 1981, Chapter 239, provides the authority for the New Jersey Department of Treasury to apply or cause to be applied any monies due a taxpayer as a Gross Income Tax refund or Homestead Property Tax Rebate, or both, if necessary, toward satisfaction of any indebtedness that the taxpayer may have outstanding to any agency or institution of the New Jersey State Government or the Federal Internal Revenue Service.

CORPORATION INCOME TAX (N.J.S.A. 54:10E-1 *et seq.*)

Effective January 1, 2002 all corporations unless otherwise exempt will be subject to the Corporation Business Tax Act.

Every corporation subject to tax must file a return CBT-100 on or before the fifteenth day of the fourth month following the close of its calendar or fiscal accounting period.

CORPORATION BUSINESS TAX (N.J.S.A.. 54:10A-1 *et seq.*)

The Corporation Business Tax Act imposes a franchise tax for the privilege of having or exercising a corporate charter, deriving income or doing business, employing or owning capital or property or maintaining an office in New Jersey. The tax also applies to foreign corporations falling into one of the following categories:

- Holding a general Certificate of Authority issued by the Division of Revenue to do business in New Jersey.
- Holding a certificate, license, or other authorization issued by another New Jersey department or agency authorizing it to engage in business within New Jersey.
- Employing or owning capital in New Jersey.
- Employing or owning property in New Jersey.

- Maintaining an office in New Jersey.

Returns are required to be filed on or before the 15th day of the fourth month following the close of the taxpayer's accounting period.

Every corporation must, before commencing to do business in this State, obtain a Corporate Charter from the Division of Revenue.

NEW JERSEY S CORPORATIONS

Chapter 173, P.L. 1993, provides that a corporation may elect to be treated as a New Jersey S Corporation. A corporation may make the election to be treated as a New Jersey S Corporation only if the corporation is or will be an S Corporation pursuant to Section 1361 of the Federal Internal Revenue Code, and each initial shareholder of the corporation consents to the election and the jurisdiction requirements detailed on the S Corporation election form (CBT-2553).

NOTICE OF BUSINESS ACTIVITIES REPORTING ACT

(N.J.S.A. 14A:13-14 to 14A:13-23)

Foreign corporations which carry on any activity or own or maintain any property in this state, unless specifically exempted, must file an annual Notice of Business Activities Report. No report is necessary if the foreign corporation has received a Certificate of Authority to do business in New Jersey or has filed a timely return as required under the Corporation Business Tax or the Corporation Income Tax Acts.

The failure of a foreign corporation to file a timely report may prevent the use of the courts in New Jersey for all contracts executed and all causes of action that arose at any time prior to the end of the last accounting period for which the corporation failed to file a required timely report.

CORPORATION BANKING AND FINANCIAL BUSINESS TAX

(N.J.S.A. 54:10A-1 *et seq.*)

Banking and financial businesses that operate as corporate entities are subject to the provisions of the New Jersey Corporation Business Tax Act. For a calendar year operation, a Banking and Financial Corporation Return (BFC-1) is due on the 15th day of April or the 15th day of the fourth month after the close of the fiscal year.

SAVINGS INSTITUTION TAX (N.J.S.A. 54:10D-1 *et seq.*)

Effective January 1, 2002 all corporations previously subject to the Savings Institution Tax will be subject to the Corporation Business Tax Act.

Every corporation subject to tax must file a return CBT-100 on or before the fifteenth day of the fourth month following the close of its calendar or fiscal accounting period.

SALES AND USE TAX (N.J.S.A. 54:32B-1 *et seq.*)

A tax is imposed on the receipts from every retail sale or rental of tangible personal property, food and beverage sold by restaurants or caterers, and charges for admissions and occupancies of hotel rooms except as otherwise provided in the Act. The tax is also imposed on the receipts from every sale except for resale of certain services as enumerated in the Act.

Lessors are liable for tax at the time a lease is executed, based on either the purchase price of the property or the total of the lease payments attributable to the lease of the property. Tax must be paid with the next sales and use tax remittance or return due after the lease is executed.

A use tax is imposed on items acquired for use in this State on which a sales tax would be due but has not been paid.

The Act does exempt most necessities such as food purchased for home preparation and consumption, prescription drugs, ordinary clothing and footwear, professional and personal services and utilities such as gas, water, steam, electricity and fuel.

The Act further provides tax exemptions for certain items and services when used or consumed under specifically defined conditions or circumstances.

The sales tax is imposed on the consumer; however, every person required to collect any tax imposed by this Act shall be personally liable for collecting and remitting such tax.

Persons required to collect the tax and persons issuing exemption certificates must register with the State. (Registration Application NJ-REG).

All vendors are required to file quarterly returns (Form ST-50), and some vendors may also have to file monthly returns (ST-51).

A Cooperative Interstate Sales Tax Agreement between the States of New Jersey and New York allows vendors located in either state selling taxable goods or services across state lines to voluntarily register to collect the neighboring states sales tax. Participating New Jersey vendors file

combined New York/New Jersey Sales and Use Tax Returns (Forms ST-20, quarterly and ST-21, monthly), employing the same filing requirements established for Forms ST-50/51.

SALEM COUNTY (Chapter 373, P.L. 1993)

Certain sales made by businesses located in Salem County are taxable at a reduced sales tax rate.

To qualify for the rate, the sale must be made from a place of business regularly operated by the vendor for the purpose of making retail sales at which items are regularly exhibited and offered for retail sale and which is not utilized primarily for the purpose of catalogue or mail order sales. Also, merchandise must be ordered or picked up in person by the purchaser at the place of business in Salem County.

ATLANTIC CITY LUXURY SALES TAX (N.J.S.A. 40:48-8.15 *et seq.*)

Atlantic City imposes a tax on specified retail sales or sales at retail occurring within the city limits.

"Retail sale" or "sale at retail" is defined to include:

- Any sale in the ordinary course of business for consumption of whiskey, beer or other alcoholic beverages by the drink in restaurants, cafes, bars, hotels, and similar establishments;
- Any cover, minimum, entertainment or other similar charge made to any patron of any restaurant, cafe, bar, hotel or other similar establishment;
- The hiring (with or without service) of any room in any hotel, inn, rooming or boarding house;
- the hiring of any rolling chair, beach chair or cabana; and
- Admissions to any theater, moving picture, pier, exhibition or place of amusement.

Vendors are required to be licensed.

Sales not included within the above definition of "retail sale" and "sale at retail" are exempt. Also exempt are casual or isolated sales, sales to or by the State of New Jersey or its political subdivisions, sales exempt under Federal law, and sales by a church or bona fide nonprofit charitable association.

Reports are required to be filed by vendors on or before the 20th day of each month covering receipts for the preceding calendar month. Taxes are paid by the purchaser to the vendor who remits the tax to the State. Payment accompanies the return.

CAPE MAY COUNTY TOURISM SALES TAX (Chapter 165, P.L. 1992)

The Tourism Improvement and Development District Act authorizes qualified municipalities to levy an additional sales tax on predominantly tourism-related retail sales. The retail sales to be taxed include lodging by hotels, food and drink in restaurants and taverns or similar establishments.

To qualify for the additional sales tax, all such retail sales must be taxable under the State Sales and Use Tax Act (P.L. 1966, c. 30; N.J.S.A. 54:32B-1 *et seq.*). The local sales tax would "piggyback" onto the State sales tax which would be collected by the Division of Revenue and placed in a special reserve fund to pay principal and interest on bonds and notes issued by the tourism authority for financing tourism promotion activities and projects within the district.

URBAN ENTERPRISE ZONE (Chapter 303, P.L. 1983)

The Urban Enterprise Zone Act authorizes certain tax benefits for businesses designated as "qualified" by the Department of Commerce and Economic Development. These tax benefits are covered under the Sales and Use Tax Act and the Corporation Business Tax Act.

Application can be made with the Division of Revenue for these benefits only after the business has been designated as "qualified" by the Department of Commerce and Economic Development.

ALCOHOLIC BEVERAGE TAX (N.J.S.A. 54:43-1 *et seq.*)

The Alcoholic Beverage Tax Act imposes taxes on alcoholic beverages.

The Alcoholic Beverage Tax is to be paid by manufacturers, wholesalers and other persons licensed by the Division of Alcoholic Beverage Control.

Retail licenses are authorized and issued by municipalities of New Jersey.

CIGARETTE TAX (N.J.S.A. 54:40A-1 et seq.)

A tax is imposed on the sale, use or possession for sale or use within New Jersey of all cigarettes. License fees are payable by distributors, wholesalers, manufacturers, retailers and vending machine retailers.

MOTOR FUELS TAX (N.J.S.A. 54:39-1 et seq.)

The motor fuels tax applies to sales of gasoline, diesel fuel or liquefied petroleum gas and compressed natural gas used in motor vehicles on public highways.

NOTE: Motor Fuels Use Tax (N.J.S.A. 54:39A-1 et seq.) is administered by the New Jersey Division of Motor Vehicles and imposes a fuel use tax on certain commercial and omnibus vehicles. This tax is based on the amount of motor fuels used in their operations within New Jersey. For further information, contact the New Jersey Division of Motor Vehicles, 20 S. Montgomery Street, Trenton, New Jersey 08660 or at www.state.nj.us/mvs/.

INSURANCE PREMIUMS TAX (N.J.S.A. 54:16-1 et seq., 16A-1 et seq., 54:18A-1 et seq., 54:17-4 et seq.)

Insurance Premiums Tax applies to premiums collected on insurance risks in this State during the preceding calendar year. The tax applies to every stock, mutual and assessment insurance company organized or existing under any general or special law of this State or any other state or foreign country transacting business in this State.

Taxable premiums of life insurance companies include all gross contract premiums except premiums for reinsurance and annuity considerations, less certain specified deductions. Non-life companies generally are taxed upon gross premiums and assessments except reinsurance premiums less certain deductions.

An annual premium tax return, reporting the tax liability for the preceding calendar year, must be filed and the tax paid by March 1 of each year. The March 1 return must also include a prepayment of the current year's tax liability equivalent to 50% of the prior year's tax liability. An additional prepayment of the current year's liability, also equivalent to 50% of the prior year's tax liability, is due June 1 of each year.

A tax on the premiums for fire insurance written by a company not organized under the laws of New Jersey must be reported and paid to the treasurer of a duly incorporated firemen's relief association in which the fire insurance risk is located by March 1 of each year, covering the preceding calendar year. The company must also report these premiums on the annual premium tax return. A deduction for the amount of tax paid directly to a firemen's relief association(s) applicable to the calendar year covered by the annual premium tax return is allowed.

A tax on the three year average underwriting profits on ocean marine insurance is reported to the Commissioner of Insurance by April 1 of each year.

A tax on premiums charged for surplus lines coverage is collected from the insured by the surplus lines agent.

Insurance companies may also be subject to retaliatory tax under certain provisions in the law (N.J.S.A. 17:32-15. 17B:23-5).

REALTY TRANSFER FEE (N.J.S.A. 46:15-5)

Recording of deeds which transfer title to real property in New Jersey is subject to the Realty Transfer Fee. The fee is collected by the County Clerk or County Registrar of Deeds when the deed is presented for recording in the county in which the transfer of title occurred.

PUBLIC UTILITY FRANCHISE TAX (N.J.S.A. 54:30A-49 et seq.)

The Public Utility Franchise and Gross Receipts Taxes apply to persons, co-partnerships, associations, and corporations, other than those specifically exempted, operating as sewerage or water companies or providing sewerage and water service in the State of New Jersey.

Inquiries concerning this tax should be directed to the Public Utility Tax Section of the Division of Taxation at (609) 633-2576.

LOCAL PROPERTY TAX (N.J.S.A. 54:4-1 et seq.)

The Local Property Tax is measured by property values and is apportioned among taxpayers according to the assessed value of taxable property owned by each taxpayer. The tax applies to real estate and tangible personal property of telephone and telegraph companies and messenger systems.

The property tax is a local tax assessed and collected by municipalities for the support of municipal and county governments and local school districts. No part of it is used for support of State government.

The amount of local property tax is determined each year, in each municipality, to supply whatever revenue is required to meet budgeted expenditures not covered by monies available from all other sources. School districts and counties notify municipalities of their property tax requirements. Municipalities add their own requirements and levy taxes to raise the entire amount. As a residual local tax, the total property tax is determined by local budget and not by property valuations or tax rates.

All taxable property is assessed by local assessors in each municipality. Assessments are expressed in terms of "taxable value", which is that percentage of "true value" (not lower than 20% or higher than 100% in multiples of 10) established by each county board of taxation, except for qualified farm land, which is specially valued.

TRANSFER INHERITANCE AND ESTATE TAX

(N.J.S.A. 54:33-1 et seq. and N.J.S.A. 54:38-1 et seq.)

The Transfer Inheritance Tax Law imposes a tax on the transfer of all personal property and New Jersey real property of resident decedents and on real property and tangible personal property of nonresident decedents located within the State of New Jersey.

The estate tax, in addition to the Transfer Inheritance Tax, is designed to absorb any credit allowable under the Federal Estate Tax statutes which is not fully taken up by the taxes paid under the present Transfer Inheritance Tax statutes of this State and all other states.

Any property inherited by a decedent's spouse, children, parents, grandparents and grandchildren is not subject to inheritance tax. Tax rates vary for other relations.

NEW JERSEY NEW HIRE REPORTING DIRECTORY

On March 5, 1998, Governor Whitman signed into law the New Jersey Child Support Act, P.L. 1998, C.1. The Act requires all New Jersey employers to report basic information about employees who are newly hired, rehired, or who return to work after a separation of employment. This information will be used principally to help locate parents who owe child support. It will also be used to identify recipients of public assistance and unemployment compensation who fail to report earnings.

If you are interested in reviewing either P.L. 1998, C.1 or the regulations promulgated by the Department of Human Services to implement the provisions of the law you may do so through the following sources: the law is available at the New Jersey State Law Library (609) 292-6230 and the regulations were published in the New Jersey State Register on June 1, 1998 and are available at most public libraries.

HOW IT WORKS

New Hire information provided by employers will be compiled on a computer file and will be compared to the database of individuals who are required to pay child support. When a “match” occurs, a notice is sent to the child support obligor’s employer, notifying the employer to withhold child support and remit the funds in accordance with the income withholding notice.

The New Hire file is compared to databases of applicants and recipients of various compensation benefits. Match information is used in determining if these individuals are reporting earnings as required. This screening process will save taxpayers millions of dollars each year by preventing and detecting fraud.

WHO REPORTS

- All employers with business operations in New Jersey are required to submit New Hire Reports unless you are a multi-state employer and have notified the federal government as required by P.L. 104-193.
- Some payroll processing services automatically report newly-hired employees. If you use a payroll processing service, ask if they send reports on behalf of your organization.

WHO MUST BE REPORTED

- All newly hired employees who work in New Jersey must be reported. If you are unsure whether an individual is an “employee,” consult New Jersey Law P.L. 1998, C.1.
- Employees who are returning to the payroll after a lapse in employment and for whom a W-4 must be completed.

WHEN TO SEND REPORTS

- If reporting through electronic media, submit the new hire report within 15 days of the employee’s first day on the job.
- If submitting by any other means, submit within 20 days of the employee’s first day on the job.

QUARTERLY WAGE REPORTS SUBMITTED TO THE NJ DEPARTMENT OF THE TREASURY, DIVISION OF REVENUE, DO NOT SATISFY THE OBLIGATION TO SUBMIT TIMELY NEW HIRE REPORTS

WHAT TO REPORT

- The employer’s Federal Employer Identification Number (FEIN), including company name and address.
- The employee’s Social Security number, name and address.
- Employee’s date of birth, if available.
- Employee’s date of hire, optional (currently reported by many payroll processing companies).

The Child Support Program and Employers

The Child Support Program and Employers

Employers play a vital role in helping to ensure the financial security of millions of our nation's children by working cooperatively with the Child Support Enforcement Program.

The Child Support Enforcement Program has been at work since 1975 when it was established by Congress under Title IV-D of the Social Security Act to collect child support payments for children in single-parent families. Although it has expanded greatly since its inception, the program's goals are still the same:

To ensure that children are financially supported by both parents

To reduce public assistance expenditures

State and local programs provide five basic child support enforcement services:

1. Locating non-custodial parents
2. Establishing paternity (legal fatherhood)
3. Establishing child support and medical support orders
4. Collecting and distributing child and medical support
5. Enforcing child and medical support orders

How Employers Are Helping

Employers who comply with child support laws are helping their communities in many ways:

By deducting for child and medical support obligations: Nearly 60% of all monies collected on behalf of America's children is collected by employers through income withholding.

By saving taxpayers' dollars: Child support collections reimburse public assistance spending and reduce costs for other social programs such as Medicaid and food stamps because fewer children remain in poverty. The Child Support Enforcement Program reduces government spending on welfare by increasing child support collections for families who would otherwise be forced to seek public assistance.

By preventing or reducing fraud: State agencies operating unemployment insurance and workers' compensation programs use new hire employment information to detect and prevent erroneous benefit payments and erroneous receipt of public assistance payments.

Employers' Responsibilities

New Hire Reporting

New hire reporting is the process by which you as an employer report information on your newly hired employees to a designated state agency shortly after the date of hire. New hire reports are matched against child support records at the state and national levels to locate parents who are not paying child support. This is especially helpful for interstate cases (in which one parent lives in a different state from his or her child), which are often the most difficult cases for states to resolve.

With new hire reporting, state child support enforcement agencies have the ability to issue income withholding orders--the most effective means of collecting child support--much more quickly.

The new hire report must include, at a minimum, the following information, found on a W-4 form:

Employee name, address, and Social Security number

Employer name, address, and Federal Employer Identification Number (FEIN)
(Some states may require or request additional data.)

Employers have 20 days to report their new hires to the state. (Some states have established more stringent reporting requirements.)

If you are reporting your new hire reports electronically or by magnetic media, you must report twice a month (if necessary).

Multistate Employers' New Hire Reporting Option

Multistate employers, those with employees working in more than one state and that report electronically, may select one of the following reporting options:

1. Report each newly hired employee to the state in which he/she is working, following the new hire regulations, requirements, and time frames of each state to which you report; or
2. Select one state where you have employees working and report all new hires to that state electronically.

If you choose the second option (to report new hire data on all employees to only one state), you *must notify* the Secretary of the U.S. Department of Health and Human Services as to which state you have designated to receive all your new hire information. For information on how to notify the Secretary:

Call the OCSE Information Line:
(202) 401-9267, 7:30 a.m. - 5:30 p.m. ET

Download (or complete on line) the Multistate Employer Notification Form from the following, OCSE employer web site address: <http://www.acf.dhhs.gov/programs/cse/newhire/employ/emult.htm>.

Income Withholding

Income or wage withholding by employers is the most effective method of child support collection. Income withholding is the court- or administrative agency-ordered deduction of child and medical support obligations from a parent's income. The employer deducts the specified amount each pay period and sends it to the agency responsible for receiving and accounting for child support.

Direct income withholding allows one state to send an income withholding order to a non-custodial parent's employer in another state. While income withholding for child support is not new for employers, receiving an order directly from another state may be new to you.

Most states are now using a standard income withholding order developed by OCSE. If the income withholding order appears "regular on its face," you must honor it and

Provide a copy of the Order/Notice to the employee immediately.

Begin income withholding and send the payments to the address cited in the withholding Order/Notice.

Continue to honor the withholding Order/Notice until you receive official notification from the child support enforcement agency/court to stop or make a change to the withholding.

Income withholding for child and medical support has priority over all other legal processes against income except for federal tax liens that were served before the child support order was served.

Income withholding for child and medical support may not exceed the maximum amount allowed under the Consumer Credit Protection Act (CCPA) and similar state laws.

Medical Support

Medical support is a form of child support often provided as health care insurance under a parent's policy. If neither parent has health care insurance, the child support order may provide for a specific dollar amount to be deducted for medical purposes. Employers are required to honor medical support orders established under state law. A court or

trative agency may require your employee to provide health insurance for his/her dependents. Courts require coverage if it is available to an employee at a "reasonable cost," defined as coverage available through the employer or other group health insurance (for example, a union).

You may receive an order from the court or administrative agency to enroll an employee's dependents in an insurance plan and withhold premiums from the employee's wages. This order may be in addition to an order to withhold a monetary child support obligation.

What Do I Need to Know about Medical Support?

Employers and health insurance providers need to know that

The dependent(s) must be enrolled in a family insurance plan without regard to seasonal restrictions (i.e., open enrollment).

The dependent(s) may not be denied coverage on the grounds that the parents were never married, that the dependent is not claimed on the employee's federal income tax return, or that the dependent does not reside with the employee or in the insurer's service area.

The employee may not eliminate coverage of the dependent unless the employee provides written proof that the order is no longer in effect or that the dependent will be enrolled in a comparable health insurance plan elsewhere.

New Features to Help Employers

Centralized Collections

As of October 1, 1999, each state child support enforcement agency is required to have a centralized, computerized unit (State Disbursement Unit) for the collection and disbursement of child support. Therefore, you may no longer have to send checks to multiple localities in a state.

State Disbursement Units (SDUs) handle payments for all orders enforced by the child support enforcement agency, plus all private child support cases (non-IV-D cases) for which an order was issued on or after January 1, 1994, requiring income withholding as the method of payment.

Some states require all payments to be sent to the SDU.

Benefits of Centralized Collections

Reduced check processing cost

Reduced postage and handling cost

Opportunity to use electronic transmission of payments and payment information

Faster payments to children and families, resulting in fewer calls to employers and non-custodial parents

Many state child support agencies now offer payment by Electronic Funds Transfer/Electronic Data Interchange (EFT/EDI), which enables employers to transmit child support income withholdings electronically. All state child support agencies should be able to provide this service sometime in 1999.

EFT electronically transfers dollars from one bank account to another. EDI transfers information. Employers can now use EFT/EDI to transfer child support payments and remittance information simultaneously to the centralized SDUs. However, employers are not *required* to use EFT/EDI; it is optional.

Benefits of EFT/EDI

Faster and more efficient than mailing paper checks and remittance information

Saves postage and administrative processing costs

Reduces the chances of errors like unidentified payments

There is a specific format for EFT/EDI child support payments. If you are interested in using EFT/EDI to submit income withholdings, contact the state child support agencies to which you send income withholdings.

INSTRUCTIONS for Form CBT-2553

1. Purpose - A corporation must file form CBT-2553 to elect to be treated as a New Jersey S corporation or a New Jersey QSSS or to report a change in shareholders. Check the appropriate box to indicate if this is an initial S corporation election or a change in S or QSSS corporation shareholders or a New Jersey QSSS election.

2. Who may elect - A corporation may make the election to be treated as a New Jersey S corporation only if it meets all of the following criteria:

- a) The corporation is or will be an S corporation pursuant to section 1361 of the Federal Internal Revenue Code;
- b) Each shareholder of the corporation consents to the election and the jurisdictional requirements as detailed in Part II of this form;
- c) The corporation consents to the election and the assumption of any tax liabilities of any nonconsenting shareholder who was not an initial shareholder as indicated in Part III of this form.

3. Where to file - Mail form CBT-2553 to: New Jersey Division of Revenue, PO Box 252, Trenton, NJ 08646-0252 (Registered Mail Receipt is suggested)

4. When to make the election - The completed form CBT-2553 shall be filed within one calendar month of the time at which a Federal S corporation election would be required. Specifically, it must be filed at any time before the 16th day of the fourth month of the first tax year the election is to take effect (if the tax year has 3-1/2 months or less, and the election is made not later than 3 months and 15 days after the first day of the tax year, it shall be treated as timely made during such year). An election made by a small business corporation after the fifteenth day of the fourth month but before the end of the tax year is treated as made for the next year.

5. Acceptance or non-acceptance of election - The Division of Revenue will notify you if your election is accepted or not accepted within 30 days after the filing of the CBT-2553 form. **If you are not notified within 30 days, call (609) 292-1730.**

6. End of election - Generally, once an election is made, a corporation remains a New Jersey S corporation as long as it is a Federal S corporation. There is a limited opportunity to revoke an election only during the first tax year to which an election would otherwise apply. To revoke an election, a letter of revocation

signed by shareholders holding more than 50% of the outstanding shares of stock on the day of revocation should be mailed to the address in instruction 3 on or before the last day of the first tax year to which the election would otherwise apply. A copy of the original election should accompany the letter of revocation. Such a revocation will render the original election null and void from inception.

7. Initial election - Complete Parts I, II and III in their entirety for an initial New Jersey S Corporation election. Each shareholder who owns (or is deemed to own) stock at the time the election is made, must consent to the election. A list providing the social security number and the address of any shareholder who is not a New Jersey resident must be attached when filing this form.

8. Reporting shareholders who were not initial shareholders - Complete Parts I, II and III when filing this form to report any new shareholder. A new shareholder is a shareholder who, prior to the acquisition of stock, did not own any shares of stock in the S corporation, but who acquired stock (either existing shares or shares issued at a later date) subsequent to the initial New Jersey S corporation election. If a new shareholder fails to sign a consent statement, the corporation is obligated to fulfill the tax requirements as stated in Part III on behalf of the nonconsenting shareholder. An existing shareholder whose percentage of stock ownership changes is not considered a new shareholder. If the taxpayer previously had elected to be treated as a New Jersey QSSS, the new shareholder must also complete Part V.

9. Part IV should only be completed for any person who is no longer a shareholder of the corporation. You do not have to enter any shareholder who sold or transferred all of his or her stock before the election was made. All changes can be filed with the S corporation final return.

10. Part V must be completed in order to permit a New Jersey S Corporation to be treated as a New Jersey Qualified Subchapter S Subsidiary and remit only a minimum tax. In addition, the parent company also must consent to filing and remitting New Jersey Corporation Business Tax which would include the assets, liabilities, income and expenses of its QSSS along with its own. Failure of the parent either to consent or file a CBT-100 or CBT-100S for a period will result in the disallowance of the New Jersey QSSS election and require the subsidiary to file and remit a CBT-100S determining its own liability.
